EXAMINER INTERVIEW SUMMARY

MS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

The applicant thanks Examiner Perez for the telephone interview granted on Wednesday, March 22, 2006 between herself and the applicant's representative Mr. Mates (Reg. No. 35,271).

The applicant agrees with the statements of the substance of the interview made in Examiner Perez' Interview Summary dated 6 April 2006. The applicant notes that a notice of abandonment has not been entered into the record. Examiner Perez agreed that the condition of the case is a result of premature after-final action. The applicant agreed to file a petition to revive the application, and the petition is filed herewith. Examiner Perez agreed to issue a new office action after the applicant files the petition to revive. Examiner Perez left a voicemail message with the undersigned attorney on March 24, 2006, indicating that the applicant need not file a full response to the last office action to have the application revived and a new office action issued.

Continuation Sheet (PTOL-413)

Application No. 10/050,237

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Back in November, after discussing the Office Action mailed 08/23/2005, the Examiner agreed to issue a new Office action that would replace the Final Office Action mailed on 08/23/2005 (See Applicant remarks in Examiner Interview Summary dated 11/23/2005 of this application). Due to an extended leave taken by the Examiner, the six month period provided for prosecution expired, therefore, the application was prematurely abandoned. Through the interview, the Applicant's representative agreed to file for a petition that would revive the prematurely abandoned case. After the case is reopened, the prosecution will proceed as agreed..
